Page 1, between the enacting clause and line 1, begin a new paragraph and insert:

"SECTION 1. IC 22-3-3-5, AS AMENDED BY P.L.275-2013, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2021]: Sec. 5. (a) The pecuniary liability of the employer for a service or product herein required shall be limited to the following:

(1) This subdivision applies before July 1, 2014, to all medical service providers, and after June 30, 2014, to a medical service provider that is not a medical service facility **or an ambulatory outpatient surgical center**. Such charges as prevail as provided under IC 22-3-6-1(k)(1), in the same community (as defined in IC 22-3-6-1(h)) for a like service or product to injured persons.

(2) This subdivision applies after June 30, 2014, to a medical service facility **and an ambulatory outpatient surgical center**. The amount provided under IC 22-3-6-1(k)(2).

(b) The employee and the employee's estate do not have liability to a health care provider for payment for services obtained under IC 22-3-3-4.

(c) The right to order payment for all services or products provided under IC 22-3-2 through IC 22-3-6 is solely with the board.

(d) All claims by a medical service provider for payment for services or products are against the employer and the employer's insurance carrier, if any, and must be made with the board under IC 22-3-2 through IC 22-3-6. After June 30, 2011, a medical service provider must file an application for adjustment of a claim for a medical service provider's fee with the board not later than two (2) years after the receipt of an initial written communication from the employer, the employer's insurance carrier, if any, or an agent acting on behalf of the employer after the medical service provider submits a bill for services or products. To offset a part of the board's expenses related to the administration of medical service provider reimbursement disputes, a medical service facility shall pay a filing fee of sixty dollars (\$60) in a balance billing case. The filing fee must accompany each application filed with the board. If an employer, an employer's insurance carrier, or an agent acting on behalf of the employer denies or fails to pay any amount on a claim submitted by a medical service facility, a filing fee is not required to accompany an application that is filed for the denied

or unpaid claim. A medical service provider may combine up to ten (10) individual claims into one (1) application whenever:

- (1) all individual claims involve the same employer, insurance carrier, or billing review service; and
- (2) the amount of each individual claim does not exceed two hundred dollars (\$200).

(e) The worker's compensation board may withhold the approval of the fees of the attending physician in a case until the attending physician files a report with the worker's compensation board on the form prescribed by the board.

SECTION 2. IC 22-3-3-5.2, AS AMENDED BY P.L.99-2014, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 5.2. (a) A billing review service shall adhere to the following requirements to determine the pecuniary liability of an employer or an employer's insurance carrier for a specific service or product covered under worker's compensation provided before July 1, 2014, by all medical service providers, and after June 30, 2014, by a medical service provider that is not a medical service facility **or, after December 31, 2020, an ambulatory outpatient surgical center**:

(1) The formation of a billing review standard, and any subsequent analysis or revision of the standard, must use data that is based on the medical service provider billing charges as submitted to the employer and the employer's insurance carrier from the same community. This subdivision does not apply when a unique or specialized service or product does not have sufficient comparative data to allow for a reasonable comparison.

(2) Data used to determine pecuniary liability must be compiled on or before June 30 and December 31 of each year.

(3) Billing review standards must be revised for prospective future payments of medical service provider bills to provide for payment of the charges at a rate not more than the charges made by eighty percent (80%) of the medical service providers during the prior six (6) months within the same community. The data used to perform the analysis and revision of the billing review standards may not be more than two (2) years old and must be periodically updated by a representative inflationary or deflationary factor. Reimbursement for these charges may not exceed the actual charge invoiced by the medical service provider.

(b) This subsection applies after June 30, 2014, to a medical service facility **or, after December 31, 2020, an ambulatory outpatient surgical center**. The pecuniary liability of an employer or an employer's insurance carrier for a specific service or product covered under worker's compensation and provided by a medical service facility **or an ambulatory outpatient surgical center** is equal to a reasonable amount, which is established by payment of one (1) of the following **as applicable**:

(1) The amount negotiated at any time between the medical service facility **or ambulatory outpatient surgical center** and any of the following:

- (A) The employer.
- (B) The employer's insurance carrier.
- (C) A billing review service on behalf of a person described in clause (A) or (B).
- (D) A direct provider network that has contracted with a person described in clause (A) or (B).

(2) **For a medical service facility, an amount not to exceed** two hundred percent (200%) of the amount that would be paid to the medical service facility on the same date for the same service or product under the medical service facility's Medicare reimbursement rate, if an amount has not been negotiated as described in subdivision (1).

(3) **For an ambulatory outpatient surgical center, an**

amount not to exceed two hundred twenty-five percent (225%) of the amount that would be paid to the ambulatory outpatient surgical center on the same date for the same service or product under the ambulatory outpatient surgical center's Medicare reimbursement rate, if an amount has not been negotiated as described in subdivision (1). However, the payment to an ambulatory outpatient surgical center for an implant furnished to an employee under IC 22-3-2 through IC 22-3-6 may not exceed the invoice amount plus three percent (3%).

(c) A medical service provider may request an explanation from a billing review service if the medical service provider's bill has been reduced as a result of application of the eightieth percentile or of a Current Procedural Terminology (CPT) or Medicare coding change. The request must be made not later than sixty (60) days after receipt of the notice of the reduction. If a request is made, the billing review service must provide:

- (1) the name of the billing review service used to make the reduction;
- (2) the dollar amount of the reduction;
- (3) the dollar amount of the service or product at the eightieth percentile; and
- (4) in the case of a CPT or Medicare coding change, the basis upon which the change was made;

not later than thirty (30) days after the date of the request.

(d) If, after a hearing, the worker's compensation board finds that a billing review service used a billing review standard that did not comply with subsection (a)(1) through (a)(3), as applicable, in determining the pecuniary liability of an employer or an employer's insurance carrier for a medical service provider's charge for services or products covered under worker's compensation, the worker's compensation board may assess a civil penalty against the billing review service in an amount not less than one hundred dollars (\$100) and not more than one thousand dollars (\$1,000)."

"SECTION 4. IC 22-3-7-17.2, AS AMENDED BY P.L.99-2014, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 17.2. (a) A billing review service shall adhere to the following requirements to determine the pecuniary liability of an employer or an employer's insurance carrier for a specific service or product covered under this chapter provided before July 1, 2014, by all medical service providers, and after June 30, 2014, by a medical service provider that is not a medical service facility or, after December 31, 2020, an ambulatory outpatient surgical center:

(1) The formation of a billing review standard, and any subsequent analysis or revision of the standard, must use data that is based on the medical service provider billing charges as submitted to the employer and the employer's insurance carrier from the same community. This subdivision does not apply when a unique or specialized service or product does not have sufficient comparative data to allow for a reasonable comparison.

(2) Data used to determine pecuniary liability must be compiled on or before June 30 and December 31 of each year.

(3) Billing review standards must be revised for prospective future payments of medical service provider bills to provide for payment of the charges at a rate not more than the charges made by eighty percent (80%) of the medical service providers during the prior six (6) months within the same community. The data used to perform the analysis and revision of the billing review standards may not be more than two (2) years old and must be periodically updated by a representative inflationary or deflationary factor. Reimbursement for these charges may not exceed the actual charge invoiced by the medical service provider.

(b) This subsection applies after June 30, 2014, to a medical service facility **or, after December 31, 2020, an ambulatory outpatient surgical center**. The pecuniary liability of an employer or an employer's insurance carrier for a specific service or product covered under this chapter and provided by

a medical service facility **or an ambulatory outpatient surgical center** is equal to a reasonable amount, which is established by payment of one (1) of the following **as applicable**:

(1) The amount negotiated at any time between the medical service facility **or ambulatory outpatient surgical center** and any of the following:

- (A) The employer.
- (B) The employer's insurance carrier.
- (C) A billing review service on behalf of a person described in clause (A) or (B).
- (D) A direct provider network that has contracted with a person described in clause (A) or (B).

(2) **For a medical service facility, an amount not to exceed** two hundred percent (200%) of the amount that would be paid to the medical service facility on the same date for the same service or product under the medical service facility's Medicare reimbursement rate, if an amount has not been negotiated as described in subdivision (1).

(3) **For an ambulatory outpatient surgical center, an amount not to exceed two hundred twenty-five percent (225%) of the amount that would be paid to the ambulatory outpatient surgical center on the same date for the same service or product under the ambulatory outpatient surgical center's Medicare reimbursement rate, if an amount has not been negotiated as described in subdivision (1). However, the payment to an ambulatory outpatient surgical center for an implant furnished to an employee under IC 22-3-2 through IC 22-3-6 may not exceed the invoice amount plus three percent (3%).**

(c) A medical service provider may request an explanation from a billing review service if the medical service provider's bill has been reduced as a result of application of the eightieth percentile or of a Current Procedural Terminology (CPT) or Medicare coding change. The request must be made not later than sixty (60) days after receipt of the notice of the reduction. If a request is made, the billing review service must provide:

- (1) the name of the billing review service used to make the reduction;
- (2) the dollar amount of the reduction;
- (3) the dollar amount of the medical service at the eightieth percentile; and
- (4) in the case of a CPT or Medicare coding change, the basis upon which the change was made;

not later than thirty (30) days after the date of the request.

(d) If, after a hearing, the worker's compensation board finds that a billing review service used a billing review standard that did not comply with subsection (a)(1) through (a)(3), as applicable, in determining the pecuniary liability of an employer or an employer's insurance carrier for a medical service provider's charge for services or products covered under occupational disease compensation, the worker's compensation board may assess a civil penalty against the billing review service in an amount not less than one hundred dollars (\$100) and not more than one thousand dollars (\$1,000)."

COMMITTEE REPORT

Mr. Speaker: Your Committee on Judiciary, to which was referred House Bill 1418, has had the same under consideration and begs leave to report the same back to the House with the recommendation that said bill be amended as follows:

Page 10, after line 42, begin a new paragraph and insert:

"SECTION 12. IC 31-17-2.2-1, AS AMENDED BY P.L.186-2019, SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. (a) Except as provided in subsection (b), a relocating individual must file a notice of the intent to move with the clerk of the court that:
